

**QEP Student Advisory Sub-Committee  
Minutes  
December 2, 2015**

Committee Members Present:

Aaron Holly

Josh Bloodworth

Nicole Fernandez

Morgan Larimer

- Committee member introductions
- Explanation of the committee binder for those who were not present at first meeting
- Brief explanation of QEP & Accreditation and Reaffirmation process
- Overview of QEP Proposal from Dr. Fisher & Questions from Committee
  - Student input is valued
  - Students know a lot about sustainability
  - Vision is important - "Fit and Purpose"
    - Understanding what a system is designed to do and understanding your role and how you function within a system is important
  - Transdisciplinary HUB has gotten positive feedback as both a physical space and a virtual space
  - Course infusion is a positive step
  - CofC lacks campus pride - this QEP could generate or foster pride in the campus vs. the city
  - Big ideas are welcome
  - Students should be a part of other committees
  - Student committee should draw up a document of ideas that we would like to see to be a part of the QEP
- Last Student Committee meeting before finals/winter break
- Committee chair will set up meetings for spring semester
