| 1       | Graduating minors in Asian studies describe aspects of the diversity and complexity of the Asian experience. | Essay evaluated with rubric  
Final exam evaluated with rubric |
| 2       | Graduating minors in Asian studies identify, describe and analyze at least one contemporary or historical political or cultural issue they regard as defining the region. This will be assessed on a rubric (see attachment). | Senior exit survey  
Portfolio evaluated with rubric |
| 3       | Graduating minors in Asian studies are able to show a link between one or more courses they have completed in their study of Asia, and how these contributed to their choice of a major. This will be assessed on an essay on the exit survey and a portfolio. Each will be assessed on a rubric. | Senior exit survey  
Portfolio evaluated with rubric |
