Daily Crime Log

The Campus Police Records Unit serves as archivist for all incident reports filed within the jurisdiction of the College's Campus Police. A request for an incident/accident report should be made to the Records Clerk located at Campus Police Headquarters or through email at PSrecords@cofc.edu. Requests may be submitted from 8 am - 3 pm, Monday through Friday. Processing of reports once a request has been submitted takes approximately three business days. A daily log which is a listing of all crimes reported to Campus Police is available for public viewing. An update of the log is completed within two business days of the filing of an initial report except where disclosure of such information is prohibited by law; such disclosure would jeopardize the confidentiality of the victim; and/or release of such information would jeopardize any component of an ongoing criminal investigation.

EMERGENCY RESPONSE, EVACUATION AND EMERGENCY PROCEDURES

Cougar Alert Emergency System

The College of Charleston's Cougar Alert mass notification system is used to immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on or near campus. This confirmation will be based on the judgment of, and verification by, the Director of Emergency Management from information received from Charleston County Emergency Management, mutual aid incident command, College incident command, or Federal or State agencies. As defined by the Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act, 34 CFR 668.46 (g) "immediate" threats include imminent or impending situations such as, but not limited to:

- Bomb threats or explosions, or other threats of imminent violence
- Fires, hazardous chemical or waste spills or gas leaks
- Terrorism incident or threat, including biological threats
- Infectious disease incident
- Natural disasters including hurricanes, earthquakes, tornadoes, floods, etc.
- Power outages or utility failures resulting in an imminent safety or security threat
- Campus closure due to weather or declared civil emergency
